Our Graded School. The Bamberg Graded School will begin its first session on Monday, September 18, in charge of four experienced teachers. There will be at least eight grades.

Prof. C. R. Calhoun, A. M., graduate of Wofford College, with six years' experience in graded school work, will be Principal, and teach the seventh and eighth grades. City Council Meeting. City Council met in the Council chamber last Tuesday afternoon, with Mayor Ingalls, and Aldermen Brabham, Rhoad, Dickinson, Brooker, Bamberg, and Hays present.

The committee to have small wooden buildings removed from Main street reported all moved except one, and the chief of police was instructed to remove this one or have it removed.

The matter of rent for town hall for use of the Bamberg Guards was referred to the hall committee, who were instructed to fix the price for rent.

Mr. J. F. Folk was granted permission to attach a one-inch pipe to the water pipe at the watering trough at the corner of Main street, near Hays's furniture store in case it did not interfere with the parties already having pipes attached.

Mr. D. Dowling was before council, and made a proposition for lighting the town. He offered to furnish fifteen or more 1,000-candle power arc lights at \$75 each per year. After discussing the matter, council decided that the financial condition of the town would not warrant their making a contract at present.

A petition, asking for a license on fish dealers, was presented, but council declined to put on a license at present.

The reports of treasurer and chief of police were read, and several bills were approved and ordered paid.

The editor of this paper was present, in reference to the publication of financial statements of the city. Council decided to hereafter publish a semi-annual report of their receipts and disbursements.

Town Chain Gang. Some people do not seem to understand why the county chain gang works the streets of Bamberg, and in order that they may be enlightened we publish the law on the subject. It will be seen by the terms of this Act that the County Supervisor has no choice in the matter, and where criminals convicted by the town authorities are sent to his gang to serve their sentences, he must receive them, and give the town the same number of days' work that he receives from such convicts.

The number of criminals sentenced by the Mayor of Bamberg is not sufficient to warrant the expense of hiring a guard and having them serve their sentence on the streets, so all offenders are sent to the county chain-gang, and then the county gang returns to the town the same number of days' work that they receive.

The Act was approved by the governor February 21, 1898, and section 1 reads as follows:

"Whenever any town or municipal authority in this State have not a sufficient number of convicts sentenced to work on the public works of the town to warrant the expense of maintaining a town chain-gang, the town authorities of said town shall be authorized to place said convicts on the county chain-gang for the time so sentenced, and the county authorities of the county in which said town is situated shall be authorized and empowered to exchange labor with said town authorities and place county convicts on the public works of the town for the same number of days that town convicts work on the public works of the county."

Little Freddie Dead. Fell asleep in Jesus September 2d, little Freddie, son of Mr. and Mrs. W. F. Copeland. He was six years old, and had been sick for a few days with brain fever. Married. Prof. H. B. Dominick, of St. Luke's, and Miss Estelle Fulmer were married by Rev. Geo. S. Bearden, in St. Peter's Lutheran church, near Rightwell, on Thursday, 24th instant. The bride is the daughter of Mrs. Mary Fulmer, of Lexington county.

Prof. Dominick and bride went to St. George's, Dorchester county, last Saturday, where he entered upon his duties last Monday as principal of St. George's High School.—Newberry Observer.

The above notice will be of interest to many of our readers, as Mr. Dominick is a brother of Mr. T. A. Donquijck, of Ehrhardt.

Our congratulations to Governor McSweeney! It is most refreshing to view his summary decapitation of the two Bamberg county magistrates who convicted at the expense of a criminal from justice. It will give a warning to the whole magistracy that it will not fail of wholesome effect. It is an instant and a serious hint that for them the path of safety is the path of duty, and as such it is worth a great deal to the State. The people will be glad to note this instance of moral courage and quick and firm decision. The gleam of the governor's axe shows well, and it is a good thing to know that it is handy and sharp.—The State.

Igniting stings, bites, scratches, wounds and cuts, and all healed by Dr. Hays's Witch Hazel Salve—a sure and safe application restores even the most obstinate cuts, in Innberg Pharmacy.

Senator Mayfield's Affidavit. DENMARK, S. C., August 25, 1899. EDITOR BAMBERG HERALD.—There has been various statements made in connection with the arrest of the Special Constable Miley, of Georgia, by Mr. Williams, and comments made by parties who are in possession of portions of the facts as to my connection with the Williams case, and in order that the public may be informed as to what I advised or said in connection with the case, I herewith hand you copy of the affidavit which I made before Capt. C. E. Sawyer, the Solicitor, who is investigating the matter. Respectfully, S. G. MAYFIELD.

AFFIDAVIT. Before me personally comes S. G. Mayfield, who being duly sworn, deposes and says:

That shortly after July 13th on arrival at his office deponent was called upon by G. W. M. Williams, Jr., who requested that deponent come over to his father's office immediately, to which deponent replied that he was very busy, and that it was a matter of importance that he would be there directly, that shortly afterwards deponent was again called upon and again requested to go over, whereupon deponent walked over to the office of G. W. M. Williams, Sr., and found there a gentleman who was introduced as a Mr. Miley from Georgia, with a statement that certain papers were placed in Mr. Miley's hands, and they desired to know as to the regularity of the papers; Mr. Miley handed me the papers, and I looked over them and found all regular until I reached one purporting to be signed by Gov. W. H. Ellerbe; I informed the constable that the papers were in every way regular except the signature of Gov. Ellerbe had been written by his private secretary, Mr. W. Boyd Evans; that I supposed that it arose during the governor's illness and that Mr. Evans supposed that he had the authority under the constitution to request of the governor to affix the signature of the governor to the paper; that in my judgment as a lawyer, a private secretary did not have such authority, as the constitution of South Carolina declared that duty upon the governor of the State, but that our constitution of 1895 was new and that I presumed that this matter had been overlooked, and that neither the private secretary's nor Gov. Ellerbe's attention had been called to this matter; hence the mistake. Section 4 of the constitution provides: "In case of the temporary disability of the governor the lieutenant governor shall perform the duties of the governor." Mr. Miley asked me what could be done and I suggested that he send the requisition to Governor Candlish with the statement as aforesaid and to give the governor my name as the one who had so advised him, and that I had no doubt, upon his sending the requisition back to his excellency, Gov. McSweeney, that his excellency, being familiar with Gov. Ellerbe's handwriting, would perceive at a glance that the paper had not been executed by Gov. Ellerbe and that new papers would be granted; that I directed Mr. Miley and had him to make notes so as to guide him in writing Gov. Candlish; that thereupon I left Mr. Williams and Constable Miley together in the office and came on about my general duties.

That shortly afterwards I left home and had been absent for some days but upon coming in from Bolling Springs Camp Ground by the F. C. and P. mid-day train I learned that Constable Miley and another had been arrested on a warrant sworn out by G. W. M. Williams, and that Mr. Williams used a shotgun by way of terrorizing the constables and was then at large and had not then been arrested.

That I neither advised Mr. Williams as a lawyer, nor to resist arrest; that in going to his office, I did it simply on request, not knowing what I was wanted for and not knowing, as is now claimed by the constable in his report to Gov. McSweeney, that the marshal of Denmark had arrested G. W. M. Williams.

That Prof. Conner of Clemson College spent the night with me on the night of that day, Thursday, and while sitting upon my piazza a buggy drove in front of gate and Mr. Hardy Tant came to the gate and called me out. I was informed by Mr. Tant that Mr. Williams wanted to see me in regard to his case and that I could go with him; I declined this invitation and stated to Mr. Tant and requested him to state to Mr. Williams that I had not been called out by him, and that I was informed by Mr. Tant that Mr. Williams wanted to see me in regard to his case and that I could go with him;
